Welcome (Insert Name),

It's my pleasure to welcome you to Las Madres for the 2005 calendar year!

Filled with family, fun and camaraderie, our playgroups are off to a great start and with each and every one of you contributing any way you can and remaining active, they will continue to be a strong presence in everyone's lives.

It is what has kept us strong for 52 years and has earned us "Bay Area's Best" for 2004! It is also what perpetuates the organization for the moms of tomorrow.

Attached below is your new membership card. Please remove it from this sheet and place it in a safe and accessible place. It has been conveniently formatted to fit nice and snug in your wallet for safe and immediate use.

In 2005 your membership card and membership number will be required much more so than in the past. This is our way of assuring that those benefits our members receive stay within the membership.

As we progress through the year we will be exploring more ways in which to better utilize our off-site membership functions which will also require the use of your membership number. Enclosed is a partial listing of what is on the horizon from the executive level. Take a minute and look it over – make sure to mark the dates on your calendar. Our program committee has been working hard to ensure a strong and interesting calendar for the upcoming year.

It is my pleasure to serve you as your President for 2005. Have a great year!

Sincerely,

*Stacy Schilperoort*
